Environmental Policy

STATEMENT

At Spectrum Franchising Limited (t/a Rainbow Restoration UK), we empower everyone to place environmental responsibility at the forefront of everything we do. We care about our planet and strive to make a positive difference every time; through engaging with our colleagues, customers and supply chain.

PURPOSE

In order to successfully manage our environmental aspects, their impacts and significant energy uses arising from our activities, products and services. We will ensure continual improvement of our approach through our ongoing engagement, strategy, by setting and reviewing objectives to ensure improvement of our environmental and energy performance.

We will utilise Spectrum Franchising Limited (t/a Rainbow Restoration UK) communications platforms to promote environmental and energy awareness amongst our employees and clients. Where practical, we actively encourage our clients to adopt the best environmental practices. Furthermore, we will co-operate with those that have environmental management systems in place to ensure best practice throughout our combined activities.

At Spectrum Franchising Limited (t/a Rainbow Restoration UK), as a restoration company, we are committed to achieving the highest standards of environmental performance and recognises its corporate responsibility to the environment. Rainbow acknowledges that its operations have a direct and indirect environmental impact and aims to minimise that impact and operate in an environmentally responsible manner.

COMMITMENT

At Spectrum Franchising Limited (t/a Rainbow Restoration UK), we share a commitment to:

- Maintain the ISO 14001:2015 certification as part of our environmental management strategy.
- Comply with or exceed applicable environmental and energy legislation and other compliance obligations.
- Implement the waste hierarchy (prevention, reuse, recycle, energy recovery, disposal).
- Continue to reduce our carbon footprint and associated energy use throughout our buildings, operations and fleet.
- Protect the environment and prevent pollution in our areas of control.
- Train our staff, where appropriate, in environmental and energy management.
- Procure products from sustainable and energy-efficient sources were reasonably practicable.
- Seek to minimise all single-use plastics from our supply chain and activities.
- Use material and energy efficiently to provide our services, applying a lifecycle approach and considering energy performance improvement in their design.
- Respect and contribute to the communities in which we operate.
- Meet customer needs and expectations and influence customers positively through our operations.
- Engage our employees in environmental practices.

WASTE MANAGEMENT & RECYCLING

At Spectrum Franchising Limited (t/a Rainbow Restoration UK) we segregate our waste and ensure that the appropriate waste is recycled. General waste is placed in black bin bags and other recycling is put in clear bags.

Any hazardous waste is put in a yellow waste bag. All electric waste will be disposed of via the local recycling centre in line with the Waste Electrical and Electronic Equipment Regulations (WEEE).

Our office furniture will be offered to charity for recycling or reuse where appropriate.

ENERGY EFFICIENCY

To ensure we are being energy efficient, staff should:

- Always turn off non-essential lights and power sources when not in use.
- When the heating is on, windows and doors should be kept closed.
- We will ensure that the boiler and heating system is regularly serviced and maintained.

TRANSPORT

At Spectrum Franchising Limited (t/a Rainbow Restoration UK) we encourage those with company vehicles to move to low-emissions wherever possible to help towards contributing towards the environmental aspects.

This policy will be reviewed on a regular basis by top management to ensure its continuing suitability. The policy statement will be placed in locations visible to as many staff as possible and be made available to outside parties including the public on request or via the Spectrum Franchising Limited (t/a Rainbow Restoration) website. It is to be actively communicated to all employees and persons working for or on behalf of the company.
